Dear Friend of Brehon:

In celebration of Brehon's 41st year of protecting children and nurturing families in the Big Bend, **Boots for Babies 2019** planning is in full swing. Imagine a starry night over a huge old fashioned barn, friends kickin' up their heels to live country music, delicious BBQ, spirited silent auction bidding, a marshmallow on a stick and a bonfire – having all that fun in return for supporting a great cause. Put on your cowboy boots, come celebrate, while changing the lives of our friends and neighbors! The party only gets better if you are there. Please consider sponsoring our *Spring* fundraising event, **Boots for Babies 2019**.

Without your support, we would not have the success stories that we tell today!

Brehon Family Services, Inc. is a local non-profit celebrating **41 years** of serving mothers and their infants. Brehon changes lives, and provides vital support to prevent child abuse in Tallahassee and the Big Bend. Brehon House is the only area shelter that provides housing, education, career building and support services for homeless, pregnant women and their infants. Brehon also provides in-home parent education and support to hundreds of families in Gadsden, Leon, Madison and Taylor counties.

We appreciate your interest and hope to gain your support for **Boots for Babies 2019**, our biggest fundraiser of the year. We are so proud of the success and impact of our prevention programs in the community. Did you know that **our prevention programs saved the community over \$20 million last year alone?** Donations in 2018 helped over 1,500 clients receive services, information for shelter, family support, household goods, baby items, clothing and education. **Thank you for your consideration.**

We hope to see you at "Boots for Babies 2019".

Kind Regards,

Jackie
